

FAQ Pixelbuddha Plus

How many resources are published monthly for PLUS subscribers?

Actually, we publish 1 product per week, that is available for PLUS subscribers. As a rule, only the most popular and high-quality resources get to PLUS collection, as it is sometimes hard to get products for freebie distribution.

Why should I subscribe to Pixelbuddha PLUS instead of investing in various bundles or so?

Only for \$10 per month (or less than \$5 with an annual subscription) you get access to a versatile resource library of ultimate quality. We analyze what may appeal to you and do our best to fill our subscribers' toolbox with truly handy materials. Besides, as a PLUS subscriber, you get access to a convenient catalog on the site instead of a huge archive, where you have to search for really useful items. Finally, it's time-limited bonuses for our subscribers, that we are to offer every month.

What's the difference between monthly and annual subscription?

That's only about the price. If you get subscribed for a year, one month of membership will cost you less than \$5. Exciting, isn't it?

Can I upgrade my monthly subscription plan to an annual one?

Sure, but first you'll have to cancel your current subscription, wait until the paid period expires, and only choose and pay a new subscription plan.

Can I cancel my subscription?

Yes, you simply press «Cancel subscription» in you profile, and automatical prolongation will be stopped.

Do I need my PayPal account to pay the subscription?

Yes, you do. Today we support only PayPal to pay the subscription, this system also enables you to pay with your credit card.

I still have questions to ask, what should I do?

You can always get in touch with us via our email info@pixelbuddha.net. We will be glad to answer all your questions concerning our site and PLUS membership.
